Balenzuela Free On $5000 Bond Bail

Sipiron Balenzuela was free on $5000 bond bail today following an order by Superior Court Judge Maxwell McNutt denying him and Ralph Dugger a writ of habeas corpus on grounds that the two were being held without reason in connection with the $18,000 jewel robbery at the home of Mrs. Dorothie Heller Kok in Hillsborough last month.

The petition for a writ was filed last week by Atty. A. J. Hennessy, counsel for the two men, and was denied following a hearing yesterday at which time arraignment for Gerald Melone, 27-year-old San Francisco socialite, was set.

Balenzuela posted his bail today, and Dugger is expected to be free from the county jail in the next few days also, Hennessy said. Melone was released several weeks ago on $5000 bond after being booked on a charge of complicity in the Hillsborough robbery.

Five Redwood City People Form Wings and Anchor Club

Five Redwood City people with the vision of establishing a national organization to do for GI Mabel what the USO does for GI Joe have incorporated the Wings and Anchor Club. Incorporation papers were filed with County Clerk W. H. Augustus this week.

A. B. Cheatham, Redwood City business man, said it was the purpose of the club to take over a South County estate where WACs, Waves, Spars, Marine reserves, and Cadet Nurses can get away from barracks life and enjoy themselves.

The club will finance its project by private subscription, he said. It will employ a paid house mother and a cook. It plans to provide overnight accommodations, a swimming pool, and all the luxuries of estate life for Uncle Sam's enlisted women. The committee will hold an organization meeting tonight.

Meanwhile, Cheatham disclosed, the idea has won the support of high ranking navy and army authorities, and the plan is already on the way toward national recognition. He said it has been referred to Los Angeles, Dallas, New Orleans and Jacksonville for favorite action. Cheatham said he would confer with two admirals at 12th Naval District Headquarters Friday, and that the Army's Ninth Corps Area, the commandant at Dibble Hospital, and officers of the coast guard and marines have already given the project their blessing.

The incorporators are Cheatham; Mrs. Gladys Wilson, 120 Nevada St.; Mrs. Virginia Skanderup, 1375 Eaton Ave., San Carlos; Mrs. Frances Hogan, 715 Hudson St., and J. A. Buhler, manager of the California-Broadway Branch, Bank of America.

B. B. Berman has been appointed head of the committee to book entertainment for the enlisted women.

Cheatham said his project was inspired by the fact that enlisted men and enlisted women apparently do not enjoy equally the facilities established by the USO.

"It was called to my attention forcibly recently when three Waves entered the Redwood City USO," Cheatham said. "Some enlisted men were playing ping pong, and when the women approached they left, one of them remarking that they 'couldn't get away from these women'."

He said no criticism of the USO was intended, but he did take cognizance of a degree of antagonism between enlisted personnel of opposite sexes.

Cheatham disclosed this afternoon that the Wings and Anchor Club already has received offers of assistance from the USO, and said it was anticipated that there would be close co-operation between the two organizations.

"If this thing proves as popular as we think it will be, we will ask for a national franchise from Congress," Cheatham promised.

The name of the club, he disclosed, was derived from the fact that the anchor is the insigne for Waves, Spars and women marines; and one insigne of the WACs has been the wings of the air corps.

Three suitable estates are under consideration, Cheatham disclosed.

A meeting will be held tonight at the Cheatham home at which officers will be elected and further discussion of plans will be held. Atty. H. W. Morrissey will act as legal advisor for the organization.

Car Hits Pole In Heavy Fog

Poor visibility due to a heavy fog was blamed for an accident in which three persons received injuries on Skyline Blvd. this week, California State Highway Patrolmen said Wednesday.

According to patrol officers, George Huffman of Rockaway Beach and driver of the automobile, failed to see the dead end of Sharp Park Rd. at the intersection with Skyline Blvd. and the car went down a small embankment, and hit a pole.

Taken to Community Hospital for emergency treatment were Robert McNutt, 27, of 435 Samson St., Redwood City, injured elbow; Laura Nichols, 22, Rockaway Beach, facial abrasions; and John Nichols, 35, also of Rockaway Beach, who had a lacerated scalp.

GRASS FIRE

San Mateo County Forest Service men extinguished a small grass fire at Oak Knoll and Summit Drs. Monday afternoon at 3 o'clock, Fire Warden Bert L. Werder reported today. A carelessly thrown cigaret probably started the blaze, he said.

S.F. Allows Funds To Repair Log Cabin

The San Francisco Board of Supervisors this week appropriated $21,737 for the Log Cabin Ranch, to allow for repairs of damage caused by a recent fire. Of the amount appropriated, $16,500 is for temporary dwelling; $4225 for clothing and $1012 for infirmary and clinical supplies.

LOOKING AHEAD WITH J-M

How about J-M after the war? Well, if anybody asks you, you can tell 'em:

1. J-M won't have to shut down to "re-tool" for peace. We'll be making just about the same things then we're making now for war.
2. We make insulations and hundreds of other industrial products, as well as many kinds of building materials. You can imagine the heaps of industrial and residential building and repair that will be needed after the war, here and abroad.
3. J-M has set aside a post-war fund of over 11 million dollars to enlarge and improve plant facilities, to replace war-worn equipment, and to add new products.
4. Our Research and Production departments are working on new products and new processes to add to our sales and meet competition.

All these things are job insurance.

JOHNS-MANVILLE CITY

If all the people who work in all of Johns-Manville's plants, mines and offices could be gathered with their families, into one city, it would be a town of about 60,000 population.

J-M would be the source of direct livelihood for everybody in this city.

Every other business that you know about, every factory that you see, could have a similar city—some bigger, some smaller.

And the sum total of all these cities, plus the farmers and storekeepers and others who keep them going, would be the United States.

It is the business of each of these businesses to keep going and to be successful and to give jobs to as many people as possible.

THAT is how to have a prosperous United States.

ANOTHER KIND OF J-M SMOKESTACK

Our jeeps can now lay smoke screens if they wanta. Some of them are now equipped with small smoke furnaces, made possible by Firecrete, a Johns-Manville material used in industrial furnace linings here at home.

Management—Science—Research—Jobs

Another item from the Creed of Management written several years ago by Lewis H. Brown, President of Johns-Manville: "We believe that we should stimulate the genius of science and utilize the methods of research to improve old products and create new ones so as to continuously provide new fields of employment for the present and coming generations."

Mesdames Gentry and Day Lead S.C. Blood Donor List

Officials of the San Mateo County Blood Bank in San Mateo this week praised the patriotism shown by San Carlos in leading all communities of like size in the county as blood donors.

Figures at the blood bank showed that since its inception two years ago the bank has received 432 San Carlos residents as donors of a total of 661 pints of blood.

Of this number 62 residents gave twice, 25 were donors for the third time, 12 were four time donors, 13 were five-time donors, while five were donors for the sixth time, and two for the seventh time.

Leading the San Carlos list are the names of Mrs. Elizabeth Gentry and Mrs. S. E. Day, the seven-time blood donors. On the list of five-time donors are Roy H. Avilla, Mrs. John L. Brach, Mrs. Sanford DeBow, Mrs. E. D. Hampton, Fred Hichox, Louis Jacobsen, Mrs. Harold Kirschner, Carl Lind, Mrs. Vivienne Masters, C. C. Nolan, Mrs. H. C. Riley, John Sweetman and Mrs. A. Vignass.

Six-time donors from San Carlos are: Elwood Lindeman, Mrs. Mildred Lindeman, George Nielsen and L. S. Parker.

At the same time, Mrs. P. J. Hanzlik of the blood bank staff made a new appeal for additional donors.

"Our method is entirely painless and harmless. It takes but a few minutes time and the need now is urgent. More and more demands are being made on us to supply the whole blood and frozen plasma," Mrs. Hanzlik stated.

Appointment for resident in San Carlos may be made by calling SM 3-1424.

Mrs. Goode Granted $500 Month From Estate

Mrs. Marie Goode will receive $500 a month from the estate of her late husband, Percy G. Goode, following an order by Superior Court Judge Maxwell McNutt this week.

At the same time, the Bank of California, executors of the estate, received permission from the court to sell the home of the late Mr. Goode at Tuscaloosa Ave. and Selby Lane in Atherton to Clifford Spitzer for $35,000.

Redwood City Firemen Extinguish Grass Fires

Redwood City firemen answered two calls Tuesday, both being two small grass fires.

At 10:46 a.m. a small rubbish fire at Chilton and Samson Sts. spread to nearby dry grass.

A roadside fire on Alameda de las Pulgas near Whipple Ave. was extinguished by the firemen at 12:43 p.m.

No damage was reported in either blaze.

Shells thrown 20 miles by big naval guns rise about five miles.

Mrs. Hazel Kell Wins Divorce Decree

Mrs. Hazel Kell of Woodside was granted a divorce this week from her husband, Eugene L. Kell, United States government contractor, on grounds of cruelty in San Mateo County Superior Court.

In granting the divorce, Superior Court Judge Maxwell McNutt provided for a division of the community property and a payment by Kell of $100 a month for 12 months to his former wife.

Mr. and Mrs. Kell were married in 1935 and separated in June of this year.

Keep spare fuses in your home

You may have experienced more frequent fuse "blow-outs" in your home these days. As appliances and cords and plugs get older, loose connections develop that cause short circuits that make fuses blow out.

Take these two precautions and save time and annoyance:

1. **Handle plugs and cords carefully. Tighten up loose screws and nuts on appliances.**
2. **Keep spare fuses on hand. It takes only a few minutes to replace a burned-out fuse.**

Before this war, our Service Department took special pride in fast service on fuse replacements. Today problems of increased service demands, manpower limitations and mileage restrictions make it difficult to render this service to you as promptly as we would like to.

However new fuses are easily replaced. You can do it yourself and avoid inconvenience and delay. This self-service on your part will enable our service men to handle more quickly the more serious service calls from you, your neighbor and war industries. *See your dealer for spare fuses.*

Carnival Agent Calls M.P. Publisher 'Dissatisfied Political Knocker'

With a strong appeal this week at the city council meeting, Mayor Donald Fisher proposed an all-out effort to put Menlo Park over its quota in the San Mateo County War Chest Campaign. His fellow council members backed him 100 per cent in his proposal and the following resolution was adopted:

"We, the members of the Menlo Park City Council, endorse the San Mateo County War Chest Campaign as an important part of our war effort and ask every loyal citizen of our community to put forth every effort toward the attainment of the $215,000 War Chest goal."

War Chest chairman for Menlo Park is Mrs. Florence Ohler, 301 Yale Rd., and Mayor Fisher appealed for volunteers to help her in this undertaking.

The council accepted the resignation of Eugene Folsom as city building inspector and expressed with a resolution their appreciation for his services.

Max Mielke, present street superintendent, was appointed acting building inspector until the council could interview all prospective applicants for the position. The council hopes to make a regular appointment at its next meeting.

A letter was read to the council from D. M. Lewis, agent of the carnival or group of concessions that created the much discussed debate at the last council meeting. Lewis stated in his letter:

"I am writing this letter in answer to an article I have read in the Menlo Park Gazette in regard to my organization's taking money out of Menlo Park. The following is a financial report of my ten day stay in your city:

$1123.00 total expenses
622.00 total receipts

$ 501.00 deficit

"Mr. Willis in his so called paper (which is a poor excuse for one) told me that he is going to make the city council pass an ordinance that will bar all shows from the city.

"I also wish to state that I am a veteran of two wars and was hurt in both and I think I have done as much as one person can do for his country. What has Mr. Willis done outside of being a dissatisfied political knocker?"

J. W. Pembroke, who protested the show's appearance in Menlo Park at the last meeting, had a complete change of heart and proposed that the show be reimbursed for its loss by having half of the license fee refunded Councilman Roy Gray's reply to Pembroke was "Are you kidding?"

The council voted to increase the salary of City Accountant A. C. Hammermann, 827 Hobart, from $25 a month to $35 for additional duties.

Mayor Donald Fisher asked the council for suggestions or solution to the local transportation problem. He stated: "Many residents are unable to come into town to shop because they haven't the gas to drive. I would like to see some plan worked out where Menlo Park could have a bus route to cover the entire area."

After a vote to pay all bills, the councilmen agreed to adjourn until the next meeting on Monday, Oct. 9 at 7:30 p.m. in the city hall.

R.C. Receives $1217 State Apportionment

San Mateo County towns and cities will receive a total of $9,290.45 in apportionments representing vehicle license fee collections for the quarterly period ending June 30, it was announced Monday by Gordon H. Garland, director of motor vehicles.

Redwood City will receive $1217.25 as its share based on a rate of $.0830209029 per capita.

Other San Mateo County cities and towns that received apportionments are: Atherton, $158.40; Belmont, $187.38; Burlingame, $1444.15; Colma, $29.39; Daly City, $799.08; Hillsborough, $228.06; Menlo Park, $270.48; San Bruno, $1260.09; San Carlos, $523.94; and South San Francisco, $946.94.

Negro Faces Assault Charge

Unable to post a $2500 cash bail, Jefferson Harris, 35-year-old Negro laborer, is in the county jail this week following his arrest on a charge of assault with a deadly weapon in an alleged midnight slashing of Humphrey Thomas, 55, Saturday at the Tanforan Naval depot where both men are employed.

Harris was arrested Saturday morning after San Bruno police officers found a trail of blood leading from Thomas' bed, where the stabbing occurred, to Harris' quarters at the base.

In swearing out his complaint before Dep. Dist. Atty. Fred Wyckoff, Thomas told of a midnight attempt by someone to steal his wallet which was under his pillow. When he tried to stop the intruder, Thomas told investigators, the other man slashed him on the left arm with a knife.

He later identified Harris as the alleged attacker.

Between June 1, 1942 and Apr. 1, 1943, Britain turned over to U.S. armed forces in England supplies which would have taken more than 1,360,000 ship tons if brought across the Atlantic.

Arrest 12-Year-Old On Burglary Charge

A 12-year-old boy was turned over to juvenile authorities following his arrest on a burglary charge by Redwood City police this week.

The youth assertedly entered the home of F. M. Matthews at 467 Clinton St. sometime Monday afternoon, and took two .22 rifles, a .22 pistol, and a small amount of ammunition.

Police said the house was unlocked at the time of the theft.

Three tablespoonfuls of kitchen fat are needed to fire a 50-caliber bullet.
